

CHERRY HILL EAST ICE HOCKEY CLUB

July 28, 2009

Dear Parent:

Another exciting season is rapidly approaching. To ensure that your child doesn't miss out on the action, please be sure to register them **now** for the 2009-2010 season. This year we anticipate having a varsity, junior varsity, middle school and an all girls team. It is very important to register ASAP so that we can determine the number of teams we will field this season.

To streamline the sign-up process, we are utilizing online registration this season. Please go to www.cheicehockey.com and following the link on the home page to register. After you complete the registration, download from the website the latest versions of the following forms:

- Player/ Parent Contract
- Payment Policy
- USA HOCKEY Code of Conduct

Once completed, the forms along with your payment can be mailed to the address listed on the payment form.

JV and Varsity players must also submit a copy of their official school schedule. Please bring it to the first practice.

It is the player's responsibility to register with USA Hockey. Registration can only be done online at <http://www.usahockeyregistration.com/>. The cost is \$30. Once registered, print your confirmation page showing your USA Hockey number and bring it to the first practice. Please note that for insurance purposes, no player will be allowed on the ice without USA Hockey registration.

Practices will be on Wednesday nights beginning September 9th. Times to be determined. Check the website for updates.

If you are new to the program, or a returning player that is due to receive a new uniform the season, it is important to get your registration information along with the \$250 deposit to us ASAP so that we can order your uniform.

Please check the Cherry Hill East Ice Hockey website www.cheicehockey.com often for all the upcoming season information.

We are looking forward to another successful year and we thank you for your continued involvement in the Cherry Hill East Ice Hockey program.
